About Studio Visit

Studio Visit is a series of juried artist books. We are pleased to offer artists a new and effective venue through which to introduce their work to a serious national audience of art world professionals. *Studio Visit* presents all two- and three- dimensional media.

Each high quality volume of *Studio Visit* features approximately 150 artists, who have been selected by professional curators. Selected artists will be given one **full color page** that includes an image, contact information and a brief artist statement.

Studio Visit will be received by two thousand curators and gallerists throughout the country as well as a growing base of collectors and enthusiasts.
